

## SLX 45

The SLX 45 has identical looks and features to that of the SLX20, but features a thermostatically controlled, integral boiler that delivers a heat output sufficient to power 8-9 radiators and ample hot water. Because it is fitted with a water temperature sensitive thermostat, heating controls (such as the Charnwood Central Heating Control System) can be fitted, to give heat precisely when and where it is needed.

### RATED OUTPUT \*Wood \*Anthracite

To room **6.0kW** (range 4-7kW) / **4.6kW**

To water **6.3kW** (range 4-7kW) / **9.7kW**

### HEATING CAPACITY \*Wood \*Anthracite

DHW & approx. **8-9 radiators**

Also suitable for underfloor heating

### FLUE OUTLET

**150mm (6") dia**

### MAX LOG LENGTH

**370 mm (14.5")**

### WEIGHT

**140KG**

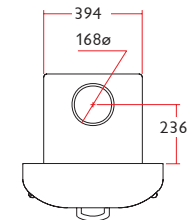

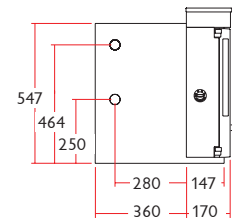

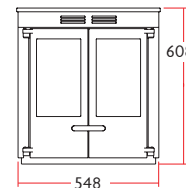

### THERMOSTAT

Body temperature sensing

### MIN DISTANCE TO COMBUSTIBLES

**INSERT:** Side: **50mm** Top / Rear: **200mm** / **FREESTANDING:** Side: **200mm** Rear: **300mm**
